

THE JVS WOMEN TO WORK PROGRAM

Supporting, Encouraging & Empowering Women

Through individualized coaching, counseling and placement services, JVS helps women re-enter the workforce after significant life-changing events, such as financial need due to family job loss, divorce, or the death or disability of a spouse or partner.

The program serves women of all ages and educational levels and from all walks of life. Through a successful mix of assessment, peer support, resources and personal growth, 85% of women who complete the program find employment or enroll in additional training or education.

Your sponsorship of JVS Trade Secrets provides the principal support for this life-changing program.

Women to Work participants emerge with:
